Colleagues – the draft final scope and RtC documents for DIDP and DINP are ready for review in the [Sharepoint folder](#). Please let us know if you have any comments.

The next major milestones for these documents are:

- Clearance by OPPT IO and transmission to AA
- Clearance by OCSPP AA and transmission to OMB/intra agency group
- OMB and intra-agency review, response to comments and OMB closure; then
- Finalization for Administrator and FR publication of the final scopes.

Please let us know if the process changes. Thanks, Andy
